For example, schools with bi-lingual websites (e.g. where the website tracks which users have logged into a secure/members-only area of the site, or where the content is available in English or in Irish and the user is asked to select which language is displayed), the school's website designer/provider should advise the school as to what cookies are stored and whether they are session cookies which are automatically deleted, etc. By using our website, you agree that we can place these types of cookies on your device. We take our security responsibilities seriously, employing the most appropriate physical and technical measures, including staff training and awareness. We review our security procedures regularly.
